

# DF FC

Thank you for purchasing the ADJ DF FC. When using the controller please refer to your fixtures user manual for the various controls and functions

**Battery Status:**

To check the battery charge level, refer to the battery status meter located on rear of the controller. With the battery fully charged and the controller running full on, the battery should have a life of around 25 hours.

**Please do not let the battery fully die, this severely shortens the life of the battery.**

**Battery Recharge:**

To recharge the battery, plug the supplied AC cord into the AC input on the rear of the unit and plug the other end into a matching power supply. It takes about 10 hours to reach full charge.

**Note: When unplugging the unit from charging and then applying power via battery, there will be a minimal charge drop.**

**Caution! No user serviceable parts inside do not attempt repairs. In the event your FC Pad should fail, contact ADJ Products, LLC.**

**Customer Support:** ADJ Products, LLC provides a toll free customer support line, to provide set up help and to answer any question should you encounter problems during your set up or initial operation. You may also visit us on the web at [www.americandj.com](http://www.americandj.com) for any comments or suggestions. Service Hours are Monday through Friday 9:00 a.m. to 5:00 p.m. Pacific Standard Time.

**Voice: (800) 322-6337 Fax: (323) 582-2941 E-mail: [support@americandj.com](mailto:support@americandj.com)**

The DF FC carries a 1 year (365 days) limited warranty. Please fill out the enclosed warranty card to validate your purchase. All returned service items whether under warranty or not, must be freight pre-paid and accompany a return authorization (R.A.) number. If the remote is under warranty you must provide a copy of your proof of purchase invoice. Please contact ADJ customer support for a R.A. number.
